

Invitation to BOOS Annual Meeting and Scientific Workshop

Meeting Place: Institute of Oceanology Polish Academy of Sciences
Address: Powstancoów Warszawy 55
81-712 Sopot, Poland

Date: May 17-19, 2016

Preliminary program:

Tuesday 17 May

12:30 – 13:00 Registration
13:00 – 18:00 **BOOS Modelling Programme Meeting**
18:00 – 20:00 Project Meetings (if relevant)

Wednesday 18 May

08:30 – 09:00 Registration
09:00 – 17:30 **Scientific Workshop**
19:00 **Dinner**

Thursday 19 May

08:30 – 09:00 Registration
09:00 – 14:00 **BOOS Annual Meeting**

Presentations to the scientific workshop are invited in the field of operational oceanography to cover all relevant topics, among them:

- Ensemble forecasts and model systems used in the Baltic
- Integrated systems (model, in-situ and remote sensing) and related services/products
- How we can use operational oceanography for integrated Baltic-wide products (e.g. for environmental assessments)
- Innovations / new methods, sensors in/for operational oceanography

Please submit title and short abstract if you wish to give a presentation. The deadline for registration and submission of abstracts is **15 April 2016**.

Please send your registration and abstracts electronically to darecki@iopan.pl or urmas.lips@msi.ttu.ee

Detailed workshop programme will be sent to the participants soon after the abstract submission deadline.

BOOS Modelling Programme Annual Meeting agenda and BOOS Annual Meeting agenda will be available soon.
